## School Supply List

### 2017 – 2018

#### WV Policy 4373: Expected Behavior in Safe and Supportive Schools

#### Chapter 2 – Students Rights and Responsibilities

Whatever school supplies are deemed necessary to accomplish the goals of a school system and are an integral and fundamental part of elementary and secondary education must be provided free of charge to all students, such as textbooks, paper, writing implements and computers if their use is part of the curriculum. Students may be required to purchase their own equipment, such as instruments and costumes, for performance-based classes, such as band, orchestra, choir, dance, and theatre. However, **students shall not be denied participation in a class because their parents/guardians cannot afford to do so.**

The below items are supplies you **MAY** wish to purchase for the 2017 – 2018 school year.
